WHEREAS, the proposed budget was submitted to the Board for its review and consideration on or before October 15, 2023; and

WHEREAS, the proposed budget is more than fifty thousand dollars (\$50,000.00), due and proper notice was published on Thursday, October 12, 2023, in the *Douglas County News-Press*, indicating (i) the date and time of the hearing at which the adoption of the proposed budget will be considered; (ii) that the proposed budget is available for inspection by the public at a designated place; (iii) that any interested elector of the District may file any objections to the proposed budget at any time prior to the final adoption of the budget by the District; and (iv) if applicable, the amount of the District’s increased property tax revenues resulting from a request to the Division of Local Government pursuant to Section 29-1-302(1), C.R.S.; and an original publisher’s Affidavit of Publication is attached hereto as Exhibit A and incorporated herein by this reference; and

WHEREAS, whatever increases may have been made in the expenditures, like increases were added to the revenues so that the budget remains in balance, as required by law; and

WHEREAS, pursuant to Section 29-1-113(1), C.R.S., the Board shall cause a certified copy of the budget, including the budget message and any resolutions adopting the budget, appropriating moneys and fixing the rate of any mill levy, to be filed with the Division of Local Government within thirty (30) days following the beginning of the fiscal year of the budget adopted; and

WHEREAS, pursuant to Section 32-1-1201, C.R.S., the Board shall determine in each year the amount of money necessary to be raised by taxation, taking into consideration those items required by law, and shall certify the rate so fixed to the board of county commissioners of each county within the District or having a portion of its territory within the District.

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF DIRECTORS OF THE REMUDA RANCH METROPOLITAN DISTRICT, DOUGLAS COUNTY, COLORADO:

Section 1. Summary of 2024 Revenues and 2024 Expenditures. That the estimated revenues and expenditures for each fund for fiscal year 2024, as more specifically set forth in the budget attached hereto as Exhibit B and incorporated herein by this reference, are accepted and approved.

Section 2. Adoption of Budget. That the budget as submitted, and if amended, then as amended, and attached hereto as Exhibit B and is approved and adopted as the budget of the District for fiscal year 2024. In the event the final assessed valuation provided by the Douglas County Assessor's Office differs from the assessed valuation used in the proposed budget, the District's accountant is hereby directed to modify and/or adjust the budget and mill levy certification as needed to reflect the final assessed valuation without the need for additional Board authorization.

Section 3. Senate Bill 23-303 and Proposition HH. That the passage of Proposition HH at the November 7, 2023 general election would result in the implementation of various provisions of Senate Bill 23-303 which will impact the District's budget, including, but not limited to, the addition of Section 29-1-306, C.R.S., which limits the increase in the District's property tax revenue to no more than a prescribed inflation amount subject to exclusion of revenue from certain sources. That, as part of the preparation of the proposed budget and [as included in Exhibit B], the District's accountant calculated the "property tax limit" as defined in and in the manner set forth in Section 29-1-306, C.R.S. and has determined that the District's property tax revenue for property tax year 2023 will not increase by more than "inflation" (as defined in in Section 29-1-306(1)(a), C.R.S.) from the District's property tax revenue for the property tax year 2022 and therefore the property tax limit will not be exceeded by imposition of the mill levies included in the budget of the District for fiscal year 2024. In performing the property tax limit calculation, the District has directed that for purposes of Section 29-1-306(2)(b), C.R.S. the most recently published estimate of inflation for the 2022 calendar year available at the time of preparation of the 2024 budget be utilized by the District's accountant. Finally, that the due to the timing of the November 7, 2023 general election and the requirement that the District be provided a proposed budget for its review and consideration on or before October 15, 2023, the District's accountant has made a good faith effort and used the best information available at the time of preparation of the budget to provide the District with alternative scenarios showing a proposed budget and mill

levies for fiscal year 2024 in the event that Proposition HH passes and alternatively in the event that Proposition HH does not pass. Due to the uncertainty of the outcome of the passage of Proposition HH and the significant possibility that the final assessed valuations differ from the preliminary assessed valuations, once the outcome of Proposition HH is known and the final assessed valuations are provided by the Douglas County Assessor's Office, the District's accountant is hereby directed to modify and/or adjust the budget and mill levy certification as needed to reflect the final assessed valuation without the need for additional Board authorization.

Section 4. Appropriations. That the amounts set forth as expenditures and balances remaining, as specifically allocated in the budget attached, are hereby appropriated from the revenue of each fund, to each fund, for the purposes stated and no other.

Section 5. Budget Certification. That the budget shall be certified by Diana Wiens, Secretary and Treasurer of the District, and made a part of the public records of the District and a certified copy of the approved and adopted budget shall be filed with the Division of Local Government.

Section 6. 2024 Levy of General Property Taxes. That the attached budget indicates that the amount of money from general property taxes necessary to balance the budget for the General Fund for operating expenses is \$62,975 and that the 2023 valuation for assessment, as certified by the Douglas County Assessor, is \$5,910,360. That for the purposes of meeting all general operating expenses of the District during the 2024 budget year, there is hereby levied a tax of 10.655 mills upon each dollar of the total valuation of assessment of all taxable property within the District for the year 2024.

Section 7. 2024 Levy of Debt Retirement Expenses. That the attached budget indicates that the amount of money from general property taxes necessary to balance the budget for the Debt Service Fund for debt retirement expense is \$251,900 and that the 2023 valuation for assessment, as certified by the Douglas County Assessor, is \$5,910,360. That for the purposes of meeting all debt retirement expenses of the District during the 2024 budget year, there is hereby levied a tax of 42.620 mills upon each dollar of the total valuation of assessment of all taxable property within the District for the year 2024.

Section 8. 2024 Mill Levy Adjustment. The Board may adjust the mill levy, as specifically set forth in the District's Service Plan (the "Adjusted Mill Levy"). The Board hereby determines in good faith to establish the Adjusted Mill Levy as set forth in the mill levy certification attached hereto as Exhibit C pursuant to the authority granted by its Service Plan to ensure that the District's revenues shall be neither diminished nor enhanced as a result of the changes effecting the mill levy. Subject to adjustment and finalization by the District's accountant in accordance with Sections 2 and 3 hereof, the Board further authorizes that the Adjusted Mill Levy be reflected in the District's Certification of Tax Levies to be submitted to the Board of County Commissioners of Douglas County on or before December 15, 2023, for collection in 2024.

Section 9. Certification to County Commissioners. That the Board Secretary and/or District's accountant are hereby authorized and directed to immediately certify to the Board of

County Commissioners of Douglas County, the mill levy for the District hereinabove determined and set. That said certification shall be in substantially the following form attached hereto as Exhibit C and incorporated herein by this reference.

**REMUDA RANCH METROPOLITAN DISTRICT
2024 BUDGET
SUMMARY OF SIGNIFICANT ASSUMPTIONS**

Services Provided

The District was organized to provide Public Improvements and services for the benefit of all anticipated inhabitants and taxpayers of the District, either within or without its boundaries as they may change by virtue of inclusions of property. The District also serves to finance and oversee the construction, of these Public Improvements and, if appropriate, to dedicate the Public Improvements to other public entities or to provide for ongoing operations and maintenance. The District's service area is located in Douglas County, Colorado.

The District was formed by the District Court Order on November 13, 2008. The District will have a single district structure. This structure will allow the District to control both financing and services. The District anticipates receiving initial funding for both capital and ongoing administrative requirements from developer advances until other revenue is available to the District. The District will impose a mill levy on taxable property within its boundaries as a primary source of revenue for repayment of debt and for operations and maintenance. The District may also rely upon various other revenue sources authorized by law. At the District's discretion, these may include the power to assess fees, rates, tolls, penalties, or charges as provided for in C.R.S. § 32-1-1001(1), as amended.

District voters approved authorization of a Maximum Total Mill Levy of 50 mills to support debt service and operations and maintenance of the District. A maximum mill levy of 40 mills is authorized to support the debt service of the District, subject to the limitation of the Maximum Total Mill Levy. A maximum mill levy of 15 mills is authorized to support the operations and maintenance of District services and Public Improvements, subject to the limitation of the Maximum Total Mill Levy. The total debt limit for the District is \$15,000,000 inclusive of costs of issuance, organizational costs, inflation, and other similar costs.

The District has no employees and all administrative functions are contractual.

The District prepares its budget on the modified accrual basis of accounting in accordance with the requirements of Colorado Revised Statutes C.R.S. 29-1-105 using its best estimates as of the date of the budget hearing. These estimates are based on expected conditions and its expected course of actions. The assumptions disclosed herein are those that the District believes are significant to the budget. There will usually be differences between the budget and actual results, because events and circumstances frequently do not occur as expected, and those differences may be material.

Revenue

Property Taxes

Property taxes are levied by the District's Board of Directors. The levy is based on assessed valuations determined by the County Assessor generally as of January 1 of each year. The levy is normally set by December 15 by certification to the County Commissioners to put the tax lien on the individual properties as of January 1 of the following year. The County Treasurer collects the determined taxes during the ensuing calendar year. The taxes are payable by April or, if in equal installments, at the taxpayer's election, in February and June. Delinquent taxpayers are notified in August, and generally, sale of the tax liens on delinquent properties are held in November or December. The County Treasurer remits the taxes collected monthly to the District.

Specific Ownership Taxes

Specific ownership taxes are set by the State and collected by the County Treasurer, primarily on vehicle licensing within the County as a whole. The specific ownership taxes are allocated by the County Treasurer to all taxing entities within the County. The budget assumes that the District's share will be equal to approximately 9.00% of the property taxes collected.

Facilities Fees

The District imposes a Facilities Fee of \$3,000 per residential unit to be constructed within the District. The Facilities Fee is due and payable to the District no later than 180 days after the closing on the sale of any parcel of property from the Developer to a non-affiliated entity or individual or upon issuance of a building permit for construction of structures on property within the District, whichever is sooner.

Interest income

Investments earned on the District's funds available have been estimated on an average interest rate of 4.00%.

Developer Advance

The District is in the development stage. As such, the general and administrative expenditures will be mainly funded by the Developer. Developer advances are recorded as revenue for budget purposes with an obligation for future repayment when the District is financially able to reimburse the Developer from bond proceeds and other legally available revenue.

Debt and Leases

On December 16, 2020, the District issued Limited Tax General Obligation Bonds, Series 2020A ("Series 2020A Bonds"). The Series 2020A Bonds bear interest at 5.00%, payable semiannually to the extent of Senior Pledged Revenue is available on June 1 and December 1 (each an "Interest Payment Date"), beginning on June 1, 2021. Annual mandatory sinking fund principal payments are due on December 1, beginning on December 1, 2025. The Bonds mature on December 1, 2050. Proceeds from the sale of the Series 2020A Bonds were used for the purposes of: (a) paying or reimbursing Project Costs; (b) funding a portion of the interest to accrue on the Series 2020A Bonds; (c) funding the Reserve Fund; and (d) paying costs incurred in connection with the issuance of the Bonds.

To the extent principal of any Series 2020A Bond is not paid when due, such principal shall remain outstanding until paid and shall continue to bear interest at the rate then borne by the Series 2020A Bond. To the extent interest on any Series 2020A Bond is not paid when due, such interest shall compound on each Interest Payment Date at the rate then borne by the Series 2020A Bond.

The Series 2020A Bonds are subject to redemption prior to maturity, at the option of the District, on December 1, 2025, upon payment of par, accrued interest, and a redemption premium of 3% and on any date thereafter, with a redemption premium declining 1% per year for the next two years and no redemption premium thereafter.

The Senior Bonds are secured by and payable from the Senior Pledged Revenue, which means the moneys derived by the District from the following sources, net of the collection costs of the County and any tax refunds or abatements authorized by or on behalf of the County:

- (a) the Senior Required Mill Levy;
- (b) all Specific Ownership Tax which is collected as a result of imposition of the Senior Required Mill Levy;
- (c) the Capital Fees, if any; and
- (d) any other legally available moneys which the District determines, in its absolute discretion, to transfer to the Trustee for application as Senior Pledged Revenue.

Debt and Leases – (continued)

Capital Fees means the Facilities Fee and all other fees of a capital nature (excluding periodic, recurring service charges) imposed before and after the issuance of the Bonds.

On December 16, 2020 the District issued Subordinate Limited Tax General Obligation Bonds, Series 2020B ("Subordinate Bonds"). The Subordinate Bonds are issued at the rate of 7.625% per annum and are structured as "cash flow" bonds, meaning that no regularly scheduled payments of principal are due on the Subordinate Bonds prior to their maturity date. Instead, principal is payable on each December 15 from the available Subordinate Pledged Revenue, if any, pursuant to a mandatory redemption. Proceeds from the sale of the Series 2020B Subordinate Bonds were used for the purposes of: (a) paying a portion of the Project Costs and (b) paying costs of issuance of the Series 2020B Subordinate Bonds.

Interest on the Subordinate Bonds is payable on each December 15, commencing December 15, 2021, to the extent of the Subordinate Pledged Revenue and accrued unpaid interest on the Subordinate Bonds will compound annually on each December 15 until sufficient Subordinate Pledged Revenue is available for payment.

In the event that any amount of principal or interest on the Subordinate Bonds remain unpaid on December 16, 2060 (the "Termination Date"), the Subordinate Bonds will be deemed paid, satisfied, and discharged.

The Subordinate Bonds are subject to redemption prior to maturity, at the option of the District, on December 1, 2025, upon payment of par, accrued interest, and a redemption premium of 3% and on any date thereafter, with a redemption premium declining 1% per year for the next two years and no redemption premium thereafter.

The Subordinate Bonds are secured by and payable solely from and to the extent of Subordinate Pledged Revenue, which means the moneys derived by the District from the following sources, net of the collection costs of the County and any tax refunds or abatements authorized by or on behalf of the County:

- (a) the Subordinate Required Mill Levy;
- (b) the portion of the Specific Ownership Tax resulting from imposition of the Subordinate Required Mill Levy;
- (c) the Subordinate Capital Fee Revenue, which means the Capital Fees remaining after deduction of all amounts applied to the payment of the Senior Bonds, if any, and any other then outstanding senior bonds;
- (d) all amounts remaining, if any, in the Senior Surplus Fund after payment in full of the principal of, premium, if any, and interest on the Senior Bonds; and
- (e) any other legally available moneys which the District determines, in its absolute discretion, to transfer to the Trustee for application as Subordinate Pledged Revenue.
